

Build up and Tear down

(Frederic Viennot/Philippe Aymard)

Build-up and tear down. This is what we are all for.
We travel in new town. To build next dream by labor.

We tear down and quit each city.
Tears in the eyes and broken heart.
But we will keep in our memory.
Dreams as a treasure of life art.

Build-up and tear down それが 僕たちの 仕事
次の 街へ 夢を 作りに 行く

さよならは 悲しく 辛い けれど
思い出を 残す 僕たちの 宝物
